Commandant Col Muhammad Saeed (R)

INTRODUCTION TO NOOR FORCES ACADEMIES

Col Mohammad Saeed was commissioned in Pakistan Army on 11th September 1965 having inducted in Frontier Force Regiment. Col Saeed participated in Indo-Pak wars during the year 1965 and 1971. He had graduated from the Staff College during the year 1974 and has been an instructor in Pakistan Military Academy, Kakul and in Infantry School, Quetta. He was appointed as Selector of Cadets for PMA and Army Medical College during 1982 where he remained as such for about 4 years. On his exemplary display of devotion to his profession, he was awarded commendation card by the worthy Chief of Army Staff, due to his extra ordinary performance in selection of cadets.

Col Saeed possesses a vast experience of teaching and selection and has been Commandant of the ISSB pre cadet training colleges since Mar 1986. More than 1000 candidates for PMA, PAF and Pak Navy are usually selected as cadets each year after aquiring proper training/guidance and leadership under the personal supervision of Col Saeed. Due to best efforts by Col Saeed, maximum numbers of civilians have benefitted from the training having been given under the command of Col Saeed who got Commission in forces and serving the nation in the best manner. He has contributed a lot to serve the nation by producing dedicated and devoted youth to the forces. He is running his academies at Shamsabad and at Tipu Road Rawalpindi. Askari College is also being run at Kallar Kahar, Chakwal where natural and conductive atmosphere is provided to the students. Hostel of high standard is also available and medical facility is also being provided to the students.

If you are satisfied with the background of Col Mohammad Saeed and if you want to serve the nation in the forces and you want to become a Commissioned Officer, then don't hesitate to approach Noor Forces Academies of Col Mohammad Saeed. You are also advised to join our academies/College without any loss of time for your own sake and benefit.

Remember: Your future is the nation's future.

Science Notes

1. Vernier caliper:

It is an instrument to measure the internal and external diameter and length of a substance up to 0.1 mm.

2. Scalar quantities:

Physical quantities which are completely specified by their magnitude expressed in suitable units e.g. Mass, value, length, speed, time, work, density etc.

3. Vector quantities:

Physical quantities which require magnitude as well as direction for their complete description e.g. force, acceleration, displacement, velocity, torque etc.

4. Speed:

It is defined as distance travelled in unit time. It is a scalar quantity. So the unit of speed will be

Speed = distance / time = metre / second

5. Velocity:

It is the rate of change of displacement along a particular direction. It is a vector quantity.

6. Acceleration:

It is defined as the rate of change of velocity so the unit of acceleration will be

Acceleration = velocity / time
